FOR WAYOUT TV LICENCE HOLDERS

Courses are now coming to Wayout TV — and to your establishment

We are now introducing our courses onto **Wayout TV** as well. Anyone holding a **Wayout TV licence** is welcome to access these courses through our **Way2Learn portal**: download the workbooks, **distribute them to the prisoners in your care** to work through alongside the TV episodes, and learners **simply return them to us**. We **mark the work** and issue the learner's certificate. There is nothing extra to pay — it is included with your licence.

About certification for Learning Zone courses

Unlike our full **Way2Learn courses**, the courses shown on the Wayout TV Learning Zone do **not carry CPD points**, but learners will receive a **certificate from PeoplePlus and UWE Bristol**.
